

2023 - L'Taken Social Justice Seminars - Insurance Options*

*Please note in order for your travelers to utilize this program each congregation is responsible for preparing individual travelers invoices showing specific travel dates and amounts paid. Further each congregation will need to prepare a "cancellation invoice" if a traveler cancels showing date of cancellation, amount paid to date and any refundable and non refundable amounts.

In order to help protect your investment in your program experience, we are offering a way for participants to purchase travel protection. Trip/Program costs become non-refundable after certain deadlines, but these protection plans provide a variety of levels of coverage should you need to cancel your enrollment for a reason covered by the plan purchased. Below are your options, though there may be other products on the market worth considering. In all cases, it is important to review all plans carefully as there are certain restrictions, exclusions and limitations that apply to all insurance coverages.

Student Deluxe Plan*

This plan has benefits for covered trip cancellations and interruptions, medical expenses and evacuations.

Cancel For Any Reason is optional and available for purchase at the individual level. CFAR coverage is up to 75% of the nonrefundable trip cost (subject to \$10,000 maximum). CFAR is available if purchased with or before your final payment for your trip. **This benefit is not available to residents of New York State.**

CFAR does not take effect until your entire non-refundable trip cost is paid to your travel supplier. If there are still deposits yet to be paid at the time you cancel your trip, CFAR will not apply.

If you purchase the plan but decline CFAR coverage at the time of plan purchase, you cannot add CFAR coverage at a later date – even if additional expenses are added to the trip/program.

Outside of CFAR terms, this plan does contain the following exclusion:

Benefits are not payable for any loss due to, arising or resulting from: a mental or nervous condition, unless hospitalized for that condition while the Plan is in effect for You.

If you are interested in a plan without this exclusion, please visit: <https://programprotector.mhross.com/>

The failure of a program operator/travel supplier/camp to provide bargained for travel arrangements is not a covered reason for Trip Cancellation coverage. Rather, if your program operator/travel supplier/camp cancels your trip, the Trip Cancellation coverage can only reimburse the reissue fee charged by the airline for the tickets.
